DETAILED ACTION

Claim Rejections - 35 USC § 112

1. Claims 1-21 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

As per claim 1, line 5, "recovering a clock signal from said stored data signal" is not clear why and how recovering the clock signal from the stored data signal.

As per claims 2-16, these claims are also rejected because they dependent upon the rejected base claim.

As per claim 17, line 5, "recovering a clock signal from said stored data signal" is not clear why and how recovering the clock signal from the stored data signal.

As per claims 18-21, these claims are also rejected because they dependent upon the rejected base claim.

Terminal Disclaimer

2. The terminal disclaimer dated on 10/15/07 is acknowledged.
3. Applicant's arguments with respect to claims 1-21 have been considered but are moot in view of the new ground(s) of rejection.
